

Three Days in Goolwa

Wednesday 28th April 2021 to Friday 30th April 2021 inclusive

Come along and enjoy three days of cycling and relaxing with friends on our stunning South Coast staying in the little historic riverside town of Goolwa.

Being so close to Adelaide, we are expecting that some riders will just come down for the day.

For those who are staying you will need to book your own accommodation in or around Goolwa.

Some of us are staying at the Goolwa Caravan Park, 40 Kessell Road, Goolwa

(<https://www.discoveryholidayparks.com.au/caravan-parks/south-australia/fleurieu-peninsula-goolwa>) and others are staying at the Hindmarsh Island Caravan Park

(<https://www.hicaravanpark.com.au/>). There is a lot of varied accommodation around Goolwa for you to choose from.

We, Ros Miles, Allison Cornish and Robyn Davill, are organising the trip in collaboration, and are unsure of how many riders to expect. We have gathered several rides together in different areas for us to explore and these are briefly described below.

THE RIDES

The rides will all begin at 10am and everyone will need to pre book by Monday 26th April by emailing Sarccexec@gmail.com.

Wednesday 28th April

Allison's Currency Creek, Ashbourne, Finnis loop. A 45km (500M elevation gain) ride that starts from the Currency Creek Winery, skirting around Giles Hill to Ashbourne (lunch) and returns via Finnis.

Robyn's Victor Harbor, Bluff/Hindmarsh River trail and Wetlands. Discover the lesser know areas of Victor Harbor as well as some old favourites (40.65km 270m elevation gain)

Starts at Horseshoe Bay car park at Port Elliot. Coffee at the end at "The Flying Fish".

Thursday 29th April

Allison's Goolwa to Barrage to Currency Creek ride. 43km in length (190m elevation gain) starting from the Goolwa Caravan Park entrance to Laffin Pt, down to the Barrage and north to the Lions Recreation Park near Currency Creek (lunch) where there is a short walk & then return to Goolwa for coffee

Ros's Goolwa Port Elliot Loop via Flagstaff Hill ride. Ride begins at the entrance to Goolwa Caravan Park. This ride is inspired by Jilden and is 52kms in length.

Friday 30th April

Robyn's Clayton Milang Finnis loop ride. 53Kms (194m elevation gain). Ride begins at the Finnis General Store, Railway Tce, Finnis with morning coffee at the Milang Bakery. The ride can be reversed if the winds indicate and then coffee would be in the afternoon.

Jilden's Waitpinga ride long version (61Kms 970 m elevation gain) or short version (37.5kms 511m elevation gain). The ride starts at Muwerang Kent Reserve, Harbour View Tce, Victor Harbor, where there is a toilet block and parking.

We will plan to have an evening meal out one night and hopefully Happy Hour every evening at 5pm which is our usual custom. Location yet to be decided. A good idea to have a folding chair in case we cannot use the camp kitchen.

Look forward to sharing another great trip with you.

Ros, Allison and Robyn
